

Mr Max Wilde
BSc, MBBS, FRCS(Eng), FRCS(Gen)
Consultant Colorectal and General Surgeon

Mr Wilde was appointed as a Consultant Colorectal and General Surgeon to Bedford Hospital in 2005. He graduated with distinction from the Middlesex and University College Hospitals in London in 1993, completing higher surgical training in Aberdeen with a CCST in General Surgery in 2004.

He undertakes general surgery (eg laparoscopic cholecystectomy) and specialises in colorectal surgery. Specialist interests include laparoscopic colon cancer surgery and treatments for fistula-in-ano. He has completed the NTP (National Laparoscopic Colorectal Cancer Surgery training programme) at St Marks Hospital. He has an interest in Medical Education and is on the cCRISP faculty.
